

Magazine Publishers

As the leading supplier of maps and graphics to the magazine industry, we work closely with art directors and editors to design maps that integrate with the magazine's unique design and enhance essential story information. Our maps appear in many premier national magazines, including National Geographic, Sports Illustrated, and Fortune.

SERVICES

- Custom static and interactive mapping content for all media (print, web, video, and mobile)
- Creative graphic design capabilities in 2-D and 3-D
- Research, compilation and editorial services
- Quick turnaround times to meet demanding deadlines
- Graphic illustrations and animations

"We consistently hear from our readers and local residents that the maps in our magazine are some of the best around. From our perspective they are a valuable resource to both our readers and our advertisers allowing us to offer our advertisers an effective way to illustrate their locations to consumers."
